Hi Liz –

Sorry I did not get back to you sooner. I went back to review Elaine Jackson-Retondo's comments and have asked our Section 106 experts for advice on the following:

1. Distribution of draft documents for review. Should all of the consulting parties get review copies? Process?
2. Commitment to submit full draft HHH report within X months of NPS approval of photo documentation
3. Elaine's comments regarding MPD and MPS
4. Revision of Appendix A

We should be able to get a revised PA back to you in a few days.

Faith

Faith,

I do not have any other changes to propose to that section of the PA.

I am available for the next hour and a half if you would like to discuss the PA further.

Hi Liz –

We noted that some of the comments in the PA were from Elaine Jackson-Retondo. Some of the comments were discussed during the teleconference and changes were made to reflect this discussion. Did you want us to make any other changes?

I'll try calling you tomorrow to discuss. Thanks.

Faith

Subject: Honolulu PA

Hello Faith,

Please see my comments and text tweaks on the PA. One version has the messy track changes. The other version just has my comments.

Appendix B is from the Knik Arm PA that the SHPO pulled some of the Kako'o language from. I think that will be useful for developing Appendix A for the Honolulu Transit PA.

Please let me know if you have any questions on my comments.

Thank you!

Liz
